

Pup's Vacation Bag Checklist

☐ **Pre-packaged Food**

Pup's food must be pre-packaged, per meal, in ziplock bags or a \$10.00 fee will be applied. Canned food can remain in the original container.

☐ **Vaccinations**

Bordetella, Distemper and Rabies vaccination papers must be **emailed** or **faxed** from your vet prior to arrival (262-965-5751).

☐ **Medications**

Medications & vitamins need to remain in the original container or package, not in food bags.

☐ **Toys**

Hard toys are welcome: kongs, nylabones, hard chews, etc. Please leave rope, squeekie and soft toys at home for safety reasons.

☐ **Treats**

Treats, bones & rawhides are encouraged. We also offer our "SkyDance Snack of the Day" and "Bed Time Snack".

☐ **Bedding**

For your pup's comfort, please leave all blankets, bedding and pillows at home as we supply all of your pup's needs. This enables your pup to have fresh, dry bedding daily.

☐ **Dishes**

Please leave bowls and dishes at home. We use our own stainless steel dishes which are washed daily.

Vacation bags are available for \$9.95. Pack all your pup's items inside and receive \$2.00 off every stay. Seresto collars are available for 8 month tick prevention.
